

AVI50215 Diploma of Aviation (Commercial Pilot Licence – Aeroplane) (partial completion)

This program provides opportunities to students who wish to develop their skills and knowledge in the aviation industry.

National or State Accreditation

National

Course Aims

This program provides opportunities for students to work towards or complete a Recreation Pilot Licence (RPL). RPL is the first stage in pilot training that ultimately leads to gaining a Commercial Pilot Licence (CPL). The students will receive 7 hours flying time per year.

Contribution to VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and a units 3 & 4 sequence. Students may not be recognised for all eligible credit until the completion of the second year.

ATAR: This subject does not have a study score and therefore cannot contribute towards the student’s primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the average of the primary four scaled).

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.

Potential Pathways

- Diploma of Aviation
- Advanced Diploma of Aviation
- Degree Courses in Aviation

Potential Occupations

- Emergency services pilot
- Air force pilot
- Airline pilot
- Flying instructor
- Licenced aeronautical engineer
- Airline program manager
- Agricultural pilot (crop duster)
- Helicopter pilot

Additional Requirements/Information

Students are required to have CASA medical before commencing flying. This medical will need to be completed before the end of term 1 and the cost (approx.) \$190.

Students may be required to do extra flying time to be deemed competent, this will be charged separately at the going dual flying rates (at time of printing this is \$240 p/hr).

Commencement of program will be dependent on adequate student numbers for enrolment and funding. Programs and units of competency are subject to change prior to commencement.

Cluster Provider TVSA Pilot Training Training to be delivered at Ballarat Aerodrome
Registered Training Organisation TVSA Pilot Training
RTO Code 7006
Program Length 2 years
Day and Time 1st year – Thursday 1.45pm to 5.00pm 2nd year – Tuesday 1.45pm to 5.00pm
Program Material Costs (approximate only) 1st year – TBC 2nd year – TBC
Structured Workplace Learning Recommended – 80 hrs minimum over total program
Outcomes Satisfactory completion of this two year program entitles the student to a Diploma (partial) of Aviation (Commercial Pilot Licence - Aeroplane). This is not a full Diploma of Aviation.
Enrolment Type VFE

1st year Units of Competency

AVIE4001	Maintain aircraft radio communications
AVIF0001	Apply aircraft safety procedures
AVIY4001	Control aeroplane on the ground
AVIY4003	Control aeroplane in normal flight
AVIY4007	Manage aircraft fuel
AVIF0014	Manage human factors in aviation operations
AVIF0008	Manage safe flight operations

2nd year Units of Competency

AVIF0011	Manage aircraft passengers and cargo
AVIW4001	Manage pre- and post-flight actions
AVIY4002	Take-off aeroplane
AVIY4004	Land aeroplane
AVIZ4001	Manage situational awareness in aircraft flight

Occupational Health & Safety

Students may be required to wear protective footwear and other protective items as required under OH&S legislation. More information will be provided at commencement of the program.
