

ACM20110 Certificate II in Animal Studies

This program provides students with the knowledge and skills to enter the animal care and management industry.

National or State Accreditation

National

Course Aims

This program covers a range of units including workplace health and safety, working in the animal care industry, surgery preparation assistance, assisting in the care of animals and acting as an information source for animal care needs.

Contribution to VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and a units 3 & 4 sequence. Students may not be recognised for all eligible credit until the completion of the second year.

ATAR: This subject does not have a study score and therefore cannot contribute towards the student's primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the average of the primary four scaled).

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.
