

22216VIC Certificate II in Building & Construction (Bricklaying) Pre-apprenticeship (partial completion)

This program provides students with the knowledge and skills to enhance their employment prospects in the building and construction “Bricklaying” industry.

National or State Accreditation

State

Course Aims

The program provides completion of the pre-apprenticeship program in the Bricklaying stream. Units in the program include safe handling of plant and power tools, calculations and workplace documents and plans.

Contribution to VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and at units 3 & 4 sequence.

ATAR: This subject does not have a study score and therefore cannot contribute towards the student’s primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the average of the primary four scaled).

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.

Potential Pathways

- Bricklaying Apprenticeship

Potential Occupations

- Bricklayer
- Building contractor
- Business owner
- Qualified tradesperson
- Site supervisor
- Subcontractor

Additional Requirements/Information

Prior to commencement of this course students must undertake a Pre-training review and a Language, Literacy and Numeracy evaluation.

Units are subject to change due to impending new training package in 2018.

Occupational Health & Safety

Students are required to wear protective footwear and other protective items as required under OH&S legislation. More information will be provided at commencement of the program.

Commencement of program will be dependent on adequate student numbers for enrolment and funding.
Programs and units of competency are subject to change prior to commencement.
This training is delivered with Victorian and Commonwealth Government funding to eligible individuals.

Cluster Provider

Federation University TAFE
Building and Construction Skills Centre,
Grant Street, SMB Campus

Registered Training Organisation

Federation University Australia

RTO Code

4909

Program Length

2 years

Day and Time

1st year – Thursday 1.30pm to 5.00pm
2nd year – Tuesday 1.30pm to 5.00pm

Program Material Costs (approximate only)

1st year – \$80
2nd year – TBA

Structured Workplace Learning

Strongly recommended – 80 hrs minimum over total program

Outcomes

Satisfactory completion of this two year program entitles the student to a Statement of Attainment in Building & Construction (Bricklaying) Preapprenticeship.

This is not a full Certificate II in Building & Construction (Bricklaying) Pre-apprenticeship

Enrolment Type

VES

1st year Units of Competency

CPCCOHS1001A	Work safely in the construction industry (CI card – pre-requisite unit)
VU20965	Bricklaying hand tools
VU20966	Bricklaying basic skills

2nd year Units of Competency

VU20960	Introduction to scaffolding and working platforms
VU20970	Basic environmental sustainability in bricklaying
VU20956	Building structures
VU20958	Prepare for work in the construction industry
VU20957	Calculations for the construction industry
VU20959	Communication skills for the construction industry
VU20961	Levelling
VU20963	Safe handling and use of plant and selected portable power tools
VU20955	Workplace safety and site induction
VU20964	Workplace documents and plans
