

22216VIC Certificate II in Building & Construction (Painting and Decorating) Pre-apprenticeship (partial completion)

This program provides students with the knowledge and skills to enhance their employment prospects in the building and construction “Painting and Decorating” industry.

National or State Accreditation

State

Course Aims

The program provides completion of two-thirds of the pre-apprenticeship program in the painting and decorating stream. Units in the program include safe handling of plant and power tools, quality principles for the building industry, calculations and workplace documents and plans.

Contribution to VCAL/VCE

VCAL: One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

VCE: Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and at units 3 & 4 sequence.

ATAR: This subject does not have a study score and therefore cannot contribute towards the student’s primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the average of the primary four scaled).

Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.

Potential Pathways

- Painting and Decorating Apprenticeship

Potential Occupations

- Painter

Additional Requirements/Information

Prior to commencement of this course students must undertake a Pre-training review and a Language, Literacy and Numeracy evaluation.

Units are subject to change due to impending new training package in 2018.

Occupational Health & Safety

Students are required to wear protective footwear and other protective items as required under OH&S legislation. More information will be provided at commencement of the program.
