

## 22338VIC Certificate II in Building & Construction (Carpentry) Pre-apprenticeship (partial completion)

This program provides students with the knowledge and skills to enhance their employment prospects in the building and construction “Carpentry” industry.

### National or State Accreditation

State

### Course Aims

The program provides completion of two-thirds of the pre-apprenticeship program in the carpentry stream. Units in the program include safe handling of plant and power tools, quality principles for the building industry, calculations and workplace documents and plans.

### Contribution to VCAL/VCE

**VCAL:** One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

**VCE:** Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and at units 3 & 4 sequence (if available).

**ATAR:** This program does not have a study score and therefore cannot contribute towards the student’s primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the lowest study score of the primary four).

*Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.*

### Potential Pathways

- Carpentry Apprenticeship

### Potential Occupations
