

## 22216VIC Certificate II in Building & Construction (Carpentry) Pre-apprenticeship (partial completion)

This program provides students with the knowledge and skills to enhance their employment prospects in the building and construction “Carpentry” industry.

**National or State Accreditation**  
State

### Course Aims

The program provides completion of two-thirds of the pre-apprenticeship program in the carpentry stream. Units in the program include safe handling of plant and power tools, quality principles for the building industry, calculations and workplace documents and plans.

### Contribution to VCAL/VCE

**VCAL:** One credit towards a VCAL learning program is awarded on successful completion of 90 nominal hours of accredited VET curriculum.

**VCE:** Students who complete this program may be eligible for recognition of two or more units at units 1 & 2 level and at units 3 & 4 sequence.

**ATAR:** This subject does not have a study score and therefore cannot contribute towards the student’s primary four. Where a units 3 & 4 sequence is available and satisfactorily completed, it may be counted as a 5th or 6th subject and contribute towards their ATAR (10% of the average of the primary four scaled).

*Please note: The student must already have English and three other fully scored VCE/VET subjects to create the primary four.*

### Potential Pathways

- Carpentry Apprenticeship

### Potential Occupations

- Carpenter
- Building site manager
- Foreman
- Building inspector

### Additional Requirements/Information

Prior to commencement of this course students must undertake a Pre-training review and a Language, Literacy and Numeracy evaluation.

Units are subject to change due to impending new training package in 2018.

### Occupational Health & Safety

Students are required to wear protective footwear and other protective items as required under OH&S legislation. More information will be provided at commencement of the program.

Commencement of program will be dependent on adequate student numbers for enrolment and funding.  
Programs and units of competency are subject to change prior to commencement.  
This training is delivered with Victorian and Commonwealth Government funding to eligible individuals.

### Cluster Provider

Federation University Australia  
Building and Construction Skills Centre  
Grant Street, SMB Campus

### Registered Training Organisation

Federation University Australia

### RTO Code

4909

### Program Length

2 years

### Day and Time

1st year – Thursday 1.30pm to 5.00pm  
2nd year – Tuesday 1.30pm to 5.00pm

### Program Material Costs (approximate only)

1st year – \$290  
2nd year – Nil

### Structured Workplace Learning

Strongly recommended – 80 hrs minimum over total program

### Outcomes

Satisfactory completion of this two year program entitles the student to a Statement of Attainment in Building & Construction (Carpentry) Pre-apprenticeship.

This is not a full Certificate II in Building & Construction (Carpentry) Pre-apprenticeship

### Enrolment Type

VES

### 1st year Units of Competency

CPCCOHS1001A	Work safely in the construction industry
VU20971	Carpentry hand tools
VU20955	Workplace safety & site induction
VU20956	Building structures
VU20961	Levelling
VU20963	Safe handling & use of plant & selected portable power tools
VU20971	Workplace documents & plan

### 2nd year Units of Competency

VU20973	Basic setting out
VU20974	Sub floor framing
VU20975	Wall framing
VU20976	Roof framing
VU20977	External Cladding
VU20978	Installation of window and door frames
